

Lesbian and Gay Friends of Concordia

PRESS RELEASE - COMMUNIQUE - FOR IMMEDIATE ATTENTION

1987-03-01

To Whom It May Concern,

Hello! I hope that this letter of thanks is not long overdue. In so many words, I would like to, on behalf of the Lesbian and Gay Friends of Concordia collective, express my sincere thanks to you and your staff for the massive positive publicity which your respective magazine, store, office generated for us in informing the Montreal Lesbian and Gay community about our Saint - Valentine's dance which took place last February on Friday the 13th.

The dance, in no doubt, became an instant success, in attracting a crowd of close to 700 persons. The atmosphere generated that night was emotionally positive and pulsating with the continuous intrinsic mood to socialize among countless friends and acquaintances.

My only hope is that may our combined strength and enthusiasm continue to reverberate in the Montreal Lesbian and Gay community for many years to come; or at least until our next dance anyways! It has been great working with you and most importantly in having you representing our collective's voice in your respective magazine, store, office.

Always Yours In Solidarity,

Robert Woo, on behalf of the Collective
